Annual Report

walking with purpose

Dear friends,

It is with great hope that we share with you our ministry's Annual Report. The 2020 fiscal year (May 1, 2019 through April 30, 2020) made us lean deeply into Christ's promise that we do not walk alone. We are humbled to have accompanied more than 43,000 women and girls on their journey with the Lord this year.

We know that so many of you have experienced your life being upended in these past few months. Many are worried and unsettled about the future. Many things that we thought were within our control now seem to be shaky and uncertain. Where do we turn when the ground is shifting beneath us? How do we persevere when we don't know which course to chart?

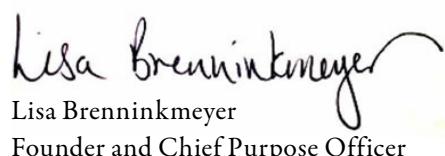

As a ministry team, we've been asking ourselves these same questions, and we have heard the Lord's gentle reminder that He is always with us and that He will make the path straight. In the words of St. Paul: *The Lord stood by me and gave me strength to proclaim the word fully, that all the Gentiles might hear it* (2 Timothy 4:17).

We know that the heart of our ministry is rooted in the friendship of Jesus. Our mission remains unchanged and more critical than ever. Walking with Purpose continues to invite women to meet Jesus Christ in Scripture, to walk in His truth, and to proclaim the gospel each and every day, regardless of the challenges. Like those we serve, we must rely on Him to guide our ministry, to show our team where and how to bring the good news, so that we have His peace in whatever the future holds.

The Lord has blessed Walking with Purpose with so many reasons to have true hope. Our parish programs continue to be the core initiative of our ministry. This past fiscal year, we launched eighty-eight new parish programs for adult women, and we have been hard at work training and shepherding thousands of women to launch new WWP studies this fall in formats that enable both virtual and in-person participation. In November, we published *Be Still*, a 365-day devotional for adult women. It is our hope that this resource will bolster our mission for years to come by providing women—those unfamiliar with our ministry as well as longtime Walking with Purpose participants—with daily inspiration to become the daughters God created them to be. In March, we planned and prepared for Flourish, our first ever women's conference. We were humbled when more than 750 women registered to attend. While we were deeply disappointed to cancel, we were greatly encouraged that so many women extended invitations to their mothers, daughters, and friends who were wrestling with life's biggest questions.

We enter this new year with the assurance the Lord gave in John 10:10: "I came so that they may have life and have it more abundantly." We remain committed to reaching the women and girls of our nation, with a special care for the one furthest out. We ask that you pray for our team as we explore what will allow our ministry to truly flourish—to carry out God's plan for Walking with Purpose. We invite you to continue to invest in the Lord's victories through our ministry, and we look forward to sharing them with you in the year ahead.

Blessings in Christ,

Lisa Brenninkmeyer

Fueling Our Mission

Parish Program Coordinators

Volunteer pastoral and operational coordinators are the heart of Walking with Purpose parish programs. Mentored by our regional staff and supported by our tools and training, coordinators selflessly love women to Christ and create connection and community at parishes across the nation. In the 2020 fiscal year, the 827 dedicated women who served as Walking with Purpose coordinators played an indispensable role in carrying out our mission.

Little Flower Circle

The Little Flower Circle is our ministry's community of recurring monthly donors. Through their ongoing monthly investment in Walking with Purpose, members make a critical impact over the course of the year. Together, their generous contributions provide a dependable source of revenue, giving our ministry a firm foundation from which to operate each year.

To learn more or to join the Little Flower Circle, please visit: walkingwithpurpose.com/the-little-flower-circle

The Walking with Purpose Team

The thirty members of our staff and Board of Directors place their professional gifts and talents at the service of our ministry. Our team is committed to the grand vision of Walking with Purpose and passionate about reaching the hearts of women and girls. We are grateful and humbled that 97% of our team made a personal financial investment in our mission this year.

St. Therese Society

Named in honor of our ministry's patron, the St. Therese Society recognizes the leadership level contributions of supporters who make gifts totaling \$1,000 or more in the fiscal year or establish a recurring gift of at least \$84 per month. This year, the generous support of our St. Therese Society members enabled Walking with Purpose to deepen our investment in the transformation women experience from participating in our parish programs. Society members receive periodic updates and advances on new materials to keep them informed of the ministry's growth and impact.
